### MEG'S MESSAGE

#### HAPPY EDUCATION WEEK!!!

Although we celebrate the education of our students regularly, this week we officially showcase the achievements of our students, staff and P&C statewide. There is an official ceremony this afternoon at Cessnock High School, for those receiving Education Week awards.

This is a perfect opportunity to thank all the parents who attended the three way conferences and were part of the development of your children's Personalised Learning Plans (PLP's). These will be reviewed again at the end of the term, to determine how the goals we set are being achieved.
