### TERRIGAL TROTTERS DROP IN

A reminder that the Terrigal Trotters drop into Congewai PS this weekend to refresh themselves during their 100km/100 mile run from Teralba. The school is open from 10.00 am until 6.00pm and

we will be providing food and drink for the participants and their support crew. This is a great fundraising opportunity for our P&C. Thank you to those parents and community members who have already volunteered to man the stall for an hour or two - if you can lend a hand, please pass on your details to Jo or Bronwyn.

Thank you to parents and students for your participation in our Halloween dress-up day and morning tea. The costumes looked great, and it was a day of fun and activity for our pre-school cohort as well. See over the page for some pictures of the day

Parents, on the occasions when I am away from school, please ensure that school staff are present when dropping off your children. Thank you for your cooperation in this matter! **Mr Howe**

## My Spooky Story

Once upon a time there lived an evil serpent that lived in a ruined city. His fangs were a foot long. He lived with rats and fierce beasts. But one night it all went wrong. A sorceress flew out of the sky. She said "I will make you my slave. You and the beasts will do my work." The rats scurried towards the rotten old pillars that were holding up the roof. They started to chew up the wood. The roof went crashing down upon the sorceress!

## My Spooky Story

One dark and stormy night there was a zombie and it was green. There was a vampire and it had blood coming out of its mouth and we saw it and it saw us. But we had a shot gun and we shot them.

## My Spooky Story

One dark and stormy night four boys, Lachlan, Chris, Tom and Riley, walked down a scary footpath. There was a zombie running past. It ran at us and we ran and ran. We found a castle called The Death. On opening the door we saw bats and a spider on the roof. The zombies came out of the wall and attacked us. We kicked them in the face and luckily we survived.
