for author visit

Sunday 22nd March - Working Bee 9am - ?

Sunday 29th March - Harvest Festival

Thursday 2nd April - Hat Parade + morning
tea 11am

It's a rare week that we've little on and I'm happy to say that this is one of them and we're enjoying it.

Tomorrow we do have school photos and I'd like to remind parents that we need the students in full school uniform, not sports uniform. Our photographer will be here around about lunch time after he completes the school booked prior to us. Due to this our students will have activities inside during recess time to ensure they remain clean and tidy.

Order forms for photographs went home to families last week and we will need these back tomorrow if they haven't been returned yet, even if you're not ordering a photo.

We have been busily making sure our school grounds are neat and tidy for our upcoming Harvest Festival and we would like to invite parents and family members to join us each Wednesday afternoon for gardening groups at 2pm. We've quite a lot to do still and would appreciate some adult assistance.

We will be holding a working bee on Sunday the 22nd of March to ensure everything is ready for the

Festival. We're starting at 9am and going until sometime after lunch. School will provide morning tea for the adults who attend and we'd like to ask that a lunch to be shared be bought along for lunch. We'll post further details on our face book page as the day gets closer.

Until next week,

Donna Stackman

In conjunction to our ongoing Science program we'd like to invite you to have a look at the following Science starters

Did humans live with dinosaurs? Does the moon disappear in the day? Kids love to know the answers to life's mysteries but there are a few facts they often get wrong in the name of science.

Find out more: <http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-projects/science/10-scientific-facts-your-child-needs-to-know>

Learning about reactions and making rubber bouncy balls from PVA glue is lots of fun.....

Congewai Public School
Working Bee

Sunday 22 March 8:30am - 1pm

Come and support your school & have some fun!

We'll be:-

- de-grassing our gardens
- mulching
- tidying the grounds of sticks and branches
- trimming
- building
- cleaning

Bring a digging fork, spade, gloves and don't forget a hat and suitable footwear.

Morning tea provided
Please bring a lunch to share

- Children are welcome but must be under parental supervision

Our speaking and listening topic for this week is:- "I don't like it...."
