## PRINCIPAL'S MESSAGE

### *Stig Wemyss*

This Wednesday 18 September students in Years 4 - 6 will be going to Bellbird Public School for a show by Stig Wemyss, a premier narrator of Australian children's books, including many of the Aussie Bite Series and Andy Griffiths books.

Stig Wemyss is one of Australia's most loved narrator of audio books for children and young adults. Stig's performances in libraries and schools around the country have become notorious with children and adults alike. His shows are wildly entertaining, cleverly irreverent and chocked full of fun.

### *SKOOL LOOP APP*

This week Congewai PS has signed up for the Skool Loop App which we will trial this year. It is a user friendly, feature rich, smartphone calendar for schools with many of the features of other school apps in use. It can be down loaded in the usual way and then look for our school. Have a go at it and let us know what you think. Maybe use it to send in those unexplained absences.

### *Aqualife Incursion*

Today we had a visit from Aqualife Explorers where the students had the opportunity to see the wonders of the deep. Everything from a shark to fossils to diving gear. The visit was very much enjoyed by the students and they learned a lot about habit and ocean environments.

### *Soccer Gala Day*

I was very proud of our Stage 2 and Stage3 students on Friday at the Small Schools Soccer Gala Day. Despite the heat and the wind they all participated fully, taking turns in positions and to sit out so all students could have a go. They played exceptionally well and thoroughly enjoyed the day.

### *STEAM*

Year 6 participated in the Mt View High School STEAM Day on Tuesday at the PCYC. They were keep busy investigating all day and had a ball.

### Paint Shirts

If all students could bring in an old shirt to use as paint shirts would be greatly appreciated to help save our uniforms.
